

THE LORD'S ETERNAL COVENANTS

DISCIPLESHIP

INTRODUCTORY STEP

God bless you! Welcome to this discipleship, “The Lord’s Eternal Covenants,” which is connected to the discipleship “The Eternal Promises of the King.” In the latter, we studied the attributes of God that uphold the promises and the biblical covenants established by our Almighty God. We already know these covenants and promises, and we have the certainty and conviction that God will fulfill them, since they rest upon His eternal and immutable attributes.

However, in this discipleship we will study each covenant individually, in detail and in depth. It is necessary for the Church to remember that God entered covenant with humanity to give them the opportunity to enter His presence and to obtain the eternal inheritance which He has reserved in the new creation, the New Heavens and the New Earth. And we say that this is necessary because, in most churches throughout the world, the covenants and their promises have been forgotten; they are regarded as an ancient story, already past, with neither validity nor application for the present time.

- Why do you think most churches do not believe in God’s covenants and promises? _____

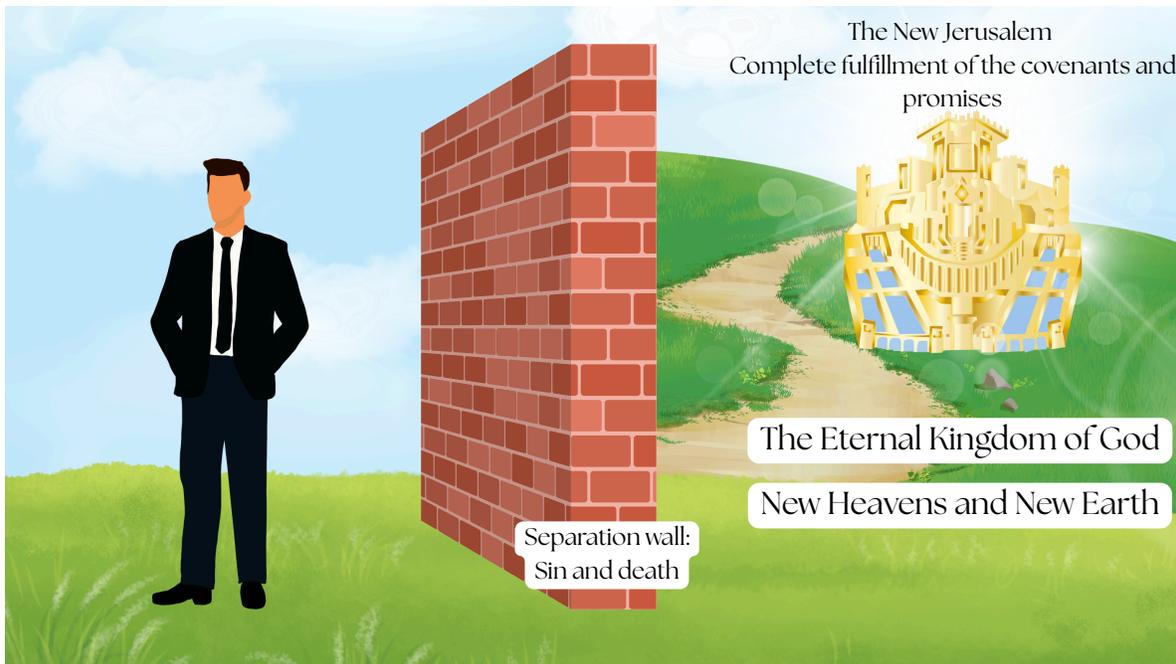

It is astonishing that there is so much unbelief when the promises of God are so clearly revealed in the Scriptures; it is evident that they are eternal, that they have not yet been fulfilled, and that God is faithful and true; therefore, He will fulfill every covenant and every promise He has made when we meet the requirements He demands.

And these requirements are granted to us by the Father Himself through His Son Jesus Christ, who finished His redemptive work to remove the hindrance to the fulfillment of the

covenants and the reception of all His promises. In Discipleship 1 of “The Eternal Promises of the King,” we learned that there are two hindrances.

Can you remember them? Write them down:

- Hindrance 1 to the fulfillment of the covenants and the promises: _____
- Hindrance 2 to the fulfillment of the covenants and the promises: _____
- Where and when did these two hindrances arise? _____
- Who removes these two hindrances, and why? _____
- Do you remember this image from Step 5 of the discipleship “The Eternal Promises of the King”? (If you do not remember it, review the step.): _____

- Explain the image in your own words (Use the first person “I”): _____
- Do you remember this other image from Step 5 of the discipleship “The Eternal Promises of the King”? (If you do not remember it, review the step.): _____

• Explain the image in your own words (Use the first person “I”): _____

In this Discipleship, we will study the eight following covenants:

- (2) the Adamic Covenant,

- (5) the Covenant of the Law,
- (6) the Land Covenant,
- (7) the Davidic Covenant; and
- (8) the New Covenant.

- Write the eight covenants you will study in this Discipleship:

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____

In Step 1, which we will see next, we will begin with the Edenic Covenant. But before that, we will ask several questions whose answers you will be able to verify in that Step 1; let us proceed (give an answer to each one):

Have you ever asked yourself...?

How many days did God take to create everything?

What did God do when He finished creation?

With whom did the Lord make the Edenic Covenant?

On which day did God create man?

Based on the days of creation and what God did when He finished, when do you think He could have made the Edenic Covenant?

When God made the first part of the Edenic Covenant with the commandment of life, had He already created Eve?

These are very important and meaningful questions that we will resolve in Step 1; let us conclude this introduction with prayer, praise, and worship.

LET US PRAY TO OUR GOD!
